

Dear Dr. Seiple,

Just a week ago this Sunday, your Dr. Thomas McDaniel completed a series of Bible Studies at our Church, Emmanuel Baptist in Ridgewood. It was one of the most thoughtful and illuminating studies we have experienced ever, and that is 72 years!

You are extremely fortunate at Eastern to have such a scholar, such a Christian, and such a real human being on your staff. Your students are privileged. A study under Dr. McDaniel should be a requirement for all seminarians.

Sincerely,
E. Lewis Bill Clark
