Dear Prof. McDaniel,

Thank you for the time you spent with us this week. I have always considered you a wonderful Christian man, now I know that you are also the greatest of teachers!

The kindnesses that you have shown to me and to my family, will never be forgotten. Joshua sends his love to "Grandfather" McDaniel. We all pray for Mrs. McDaniel's and your good health. We wish you much success during your studies of the Hebrew manuscript of Matthew.

Yours in Christ,
Irene, Jim, Janet, Patty + Joshua
